# The Euro Collections

Inspired by the detailing of Old World estates, the Wayne-Dalton Euro Collections incorporate classic design icons.

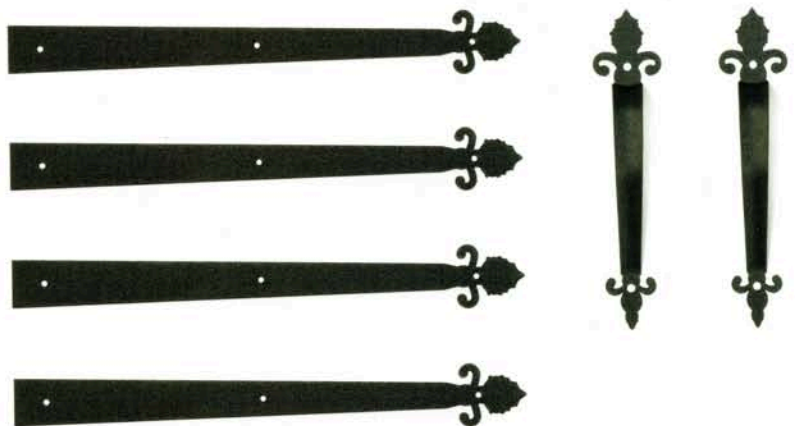

## Fleur-de-Lis

This stylized version of the lily is the traditional symbol of the French monarchy.

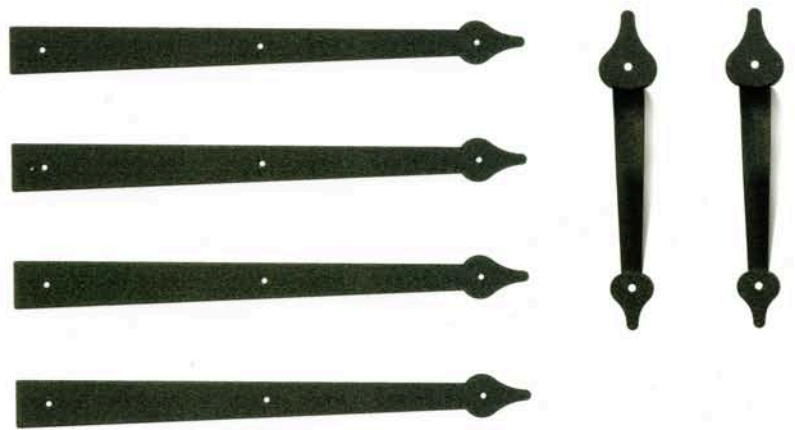

## Barcelona

The classic fleur design shows the neo-Moorish influence of Spain.

## Spear

The spade tip design reflects the profile of Indian architecture.

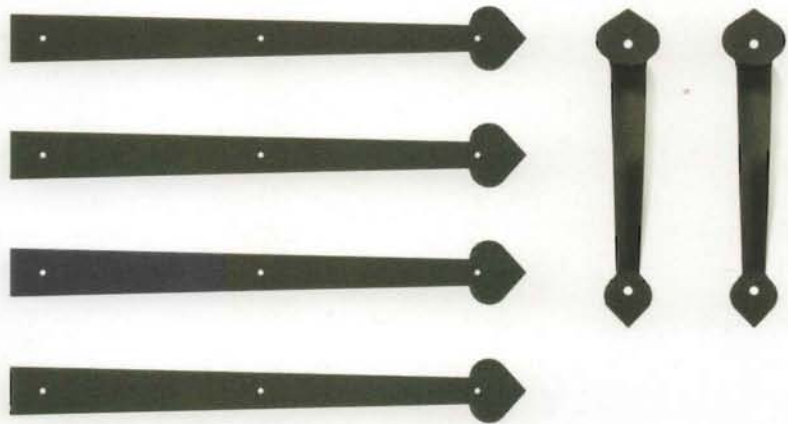

# The American Collections

Imagery of the American southwest can be found in the graphic interpretations of native graphics.

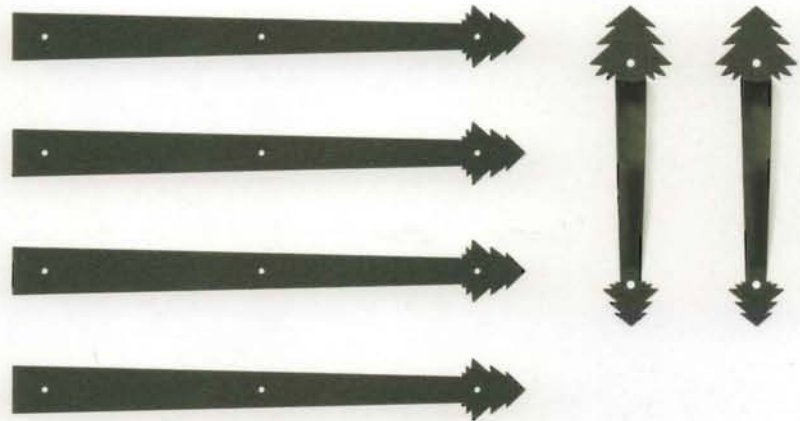

## Aspen

The distinctive shape of the Aspen leaf gives the tip a natural feel.

## Conifer

The grace and elegance of mountain pines can be seen in these strap tips.

## Arrow

The Arrow strap was inspired by the geometric designs of the Navajo.
